AUGER POWDER FILLER, 50 G – 1 KG

FACTORY DIRECT | LANDED IN RAND | 380 V

R162 592

Landed and cleared, collected from our Johannesburg warehouse.

Fills chilli powder, spices, herbs and other dry powders by weight rather than by eye, to within 0.3%. The auger meters the powder into the container on a conveyor, so a two-person packing table becomes one machine.

LEAD TIME 10–13 weeks from order
