

CONCRETE

DIESEL CONCRETE MIXER, 510 L, WITH WINCH HOIST

FACTORY DIRECT LANDED IN RAND

R110 233

Landed and cleared, collected from our Johannesburg warehouse.

A towable 510-litre diesel concrete mixer with a built-in winch hoist, so one machine both mixes and lifts material up to a slab. Runs on a single-cylinder diesel engine, so it works on a site with no power. Built for continuous site use, not the hardware-store class.

LEAD TIME 9–12 weeks from order

SPECIFICATION

WHAT YOU ARE GETTING

Drum	510 L drum, 350 L per batch
Engine	22 hp single-cylinder diesel, water-cooled
