SPECIFICATION

WHAT YOU ARE GETTING

Specification	1.1 kW; 400 V three-phase; 25 mm capacity. The 400 V version requires customization
Own brand	400 V customization MOQ: 10 units
Ready at the factory	10 days
By sea	about 8–10 weeks from order (35–45 days at sea)
By air	about 4–5 weeks from order (10–12 days in the air), on request
Air freight	Quoted on request, duty and clearing included (DDP). It costs more than sea, so we price it on your quote.

Specifications are as supplied by the manufacturer and confirmed at inspection before shipping. Tell us the job and we will confirm this is the right machine for it, or say if it is not.
