

FILLING, CAPPING & SEALING

SEMI-AUTOMATIC PISTON FILLER, 50–500 ML

FACTORY DIRECT | LANDED IN RAND | 220 V

R31 911

Landed and cleared, collected from our Johannesburg warehouse.

A single-head pneumatic filler for sauces, pastes and thicker liquids: chilli sauce, peanut butter, honey, oils and creams. Stainless steel where it touches the product, with the fill volume set by hand. It runs off a compressor and a wall plug, which makes it the usual first filling machine for a small food business.

LEAD TIME 10–13 weeks from order
